Modern living naturally

Location
Mount Sanford Green represents a key opportunity for businesses to be located at the "Gateway to Northern Devon". The development benefits from direct access to the A361 whereupon there are sustainable linkages to Tiverton railway station, the A5 and the Atlantic Highway (M5 Corridor).

Planning
Outline planning permission has been granted for a 2.0 ha (7.5 acre) Innovation Park with approx. (a) 200 to 300 dwellings (b) 15,000 sq m of Employment uses E1, E2 and B8.
This permission is complemented by 250 dwellings built to Passivhaus standards making it the largest Passivhaus scheme in the UK.

Availability
 bespoke design and build packages are available to suit the specific requirements of future occupiers. Packages are available on a freehold or leasehold basis.

Barnstaple

- Regional capital of North Devon
- Services a 150,000 population across North Devon
- Home to Falmes, the regional higher education institution
- North Devon has one of the UK's strongest performing labour markets (7 out of 225 local authority areas, March 2013)
- Beautiful tourist destination famed for surfing beaches, Tarka river valleys and Exmoor
